DOWNING STREET,

CANADA.  
No. 581.  
SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British

subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

A. BONAR LAW.

*The Governor-General,*

*His Royal Highness*

*The Duke of Connaught and of Strathearn, K.G.,*  
*etc., etc.*

## BRITISH PROPERTY IN ENEMY COUNTRIES.

## HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

## REGULATIONS RE LOGGING OPERATIONS WITHIN THE HEALTH DISTRICT ESTABLISHED ON LYNN CREEK.

AN Inspector shall be provided by the Provincial Board of Health, who will also act as special Provincial police constable.

It shall be the duty of the Inspector to enforce the regulations hereafter set forth. He will reside on the works and consult with the manager of the company in regard to all recommendations he may make in the way of other regulations which may be deemed necessary to enact, owing to changing conditions incidental to the progress of the company's work.

The Inspector shall make a weekly report to the Provincial Board of Health.

No person shall be allowed on the watershed except on business connected therewith.

When the railway-track is in close proximity to the river or creeks, the road-bed shall be drained from the cuts in the soil back from the river, allowing the surface wash to be carried back with permeable soil to sink-holes. It should be arranged that such drainage does not flow directly into the river.

The company shall place all buildings or camps of whatever kind or nature at such points as may be designated by the Sanitary Inspector.

At the camps the necessary latrines shall be placed over reasonably deep pits for the reception of discharges. An average of 8 feet in depth is recommended, and the pit shall be filled in before the refuse reaches a point within 2 feet of the surface.

During use the pits are to be disinfected by the application of lime daily. All privies adjacent to the camp must be rendered fly-proof.

All men operating in the bush are to carry portable privies of galvanized iron, with covers. These

privies to be returned and emptied into pits. All portable privies or pails to be supplied with 8 oz of unslaked lime daily.

Rules relating to the use of these conveniences, and absolutely prohibiting the discharge of human waste elsewhere within the watershed, will be enforced with great strictness, and under penalty of dismissal.

An incinerator must be provided adjacent to the camp where all garbage and refuse must be burned each day.

Proper receptacles must be kept on hand into which all refuse, whether liquid or solid, must be placed, and such refuse must be regularly destroyed by fire.

## DOMINION ORDERS IN COUNCIL.

[3243]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 27th day of November, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-  
GENERAL IN COUNCIL.

WHEREAS it is desirable to extend the provisions of the Orders in Council hereinafter referred to, which at present apply only to the holders of homesteads in the Railway Belt of British Columbia, to the holders of conditional purchase homesteads, and purchase homesteads, namely, Orders in Council of October 17th, 1914, and June 19th, 1915, which provide for the counting as residence of the time spent by homesteaders on active service, for the granting of relief to such homesteaders with respect to further residence upon or further cultivation of the homesteads, or to their legal representatives in the event of death; Order in Council of January 6th, 1916, which provides for protection to entries made after enlistment or recall; and Order in Council of February 12th, 1917, which provides for the waiving of the naturalization requirement in the case of entrants on active service.

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, and under and by virtue of the provisions of the "War Measures Act of 1914," is pleased to order that the regulation for the survey, administration, disposal, and management of Dominion lands within the Forty-mile Railway Belt of the Province of British Columbia as established by Order in Council of September 17th, 1889, and amendments thereto shall be and the same are hereby further amended, as follows:—

The terms and provisions of the following Orders in Council, namely., October 17th, 1914, P.C. 2597; June 19th, 1915, P.C. 1392; January 6th, 1916, P.C. 3093; and February 12th, 1917, P.C. 107; shall be applicable to conditional purchase homesteads and purchase homesteads; provided, however, that in all such cases before patent is issued, all payments of principal and interest shall be made and completed as prescribed by the aforesaid regulations or amendments thereto.

de20 RODOLPHE BOUDREAU,  
*Clerk of the Privy Council.*

[3210]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 15th day of November, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated November 13th, 1917, from the Minister of the Interior, stating that the regulations governing the granting of licences and permits to cut timber on Dominion lands require that timber berths shall be sold at public auction, after the same have been surveyed, cruised by an officer of the Department of the Interior, and advertised for sale for at least sixty days.

The Minister observes that the Keystone Logging and Mercantile Company, Limited, of Vancouver, British Columbia, have made application for authority to cut timber on the West Half of Section 18, Township 18, east of the Coast Meridian, and that the representative of the Shipbuilding Department of the Imperial Munitions Board reports that this timber is urgently required for the purpose of building ships.

The Minister, in order to obviate the considerable delay which would be occasioned in disposing of this timber as required by the regulations, recommends that authority be given to issue a permit in favour of the applicants to cut the timber in question, subject to the payment of such dues as

may be fixed by the Department of the Interior after a cruise has been made of the timber by an officer of the Department, with the object of arriving at the value thereof, and on the condition that the timber will not be used for any purpose other than ship building.

The Committee submit the same for approval.

*Clerk of the Privy Council.*

In the case of any entrant for a homestead, conditional purchase homestead, or purchase homestead who, by reason of his service as a member of any of the military or naval forces of His Majesty or of any of the allies of His Majesty in the present European War, is unable to make application *in person* for the issue of letter's patent for his homestead, conditional purchase homestead, or purchase homestead in the manner prescribed in the above-mentioned Regulations, the Minister of the Interior shall receive an application made by the legally authorized attorney of the entrant, and deal with the same in the same manner as if it had been made by the entrant himself in person.
